

Solution for Payroll Service Providers

Secure Data Connectivity to the Software Solutions Your Customers Demand

The Ninth Wave platform simplifies connectivity for payroll service providers, delivering a single, secure point of integration to seamlessly share W-2 and other tax form data with tax preparation software solutions.

The Market Need

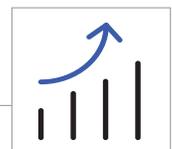

Today's employees want fast, convenient access to their tax information through tax preparation solutions like TurboTax, H&R Block, and Tax Act, as well as a variety of personal financial management and wellness apps. This requires direct access to information contained in W-2s, 1099s, and other tax forms.

Our Solution

The Ninth Wave platform delivers a single, secure point of connectivity between our clients and the tax preparation solutions their employees use. Employees gain a world-class connectivity experience, increasing convenience, satisfaction, and accuracy by eliminating the need to manually re-enter information from tax forms into tax preparation software.

About Ninth Wave

Some of the world's largest financial institutions, including **3 of the top 5 U.S. banks, 9 of the top 10 wealth managers, and several large employers, third-party payroll providers, and leading tax prep software vendors**, rely on the Ninth Wave platform as a single, secure point of connectivity with applications and aggregators seeking permissioned access to account holder data.

Key Benefits:

Simplicity: One connection to Ninth Wave opens access to a growing list of "must have" apps

Speed: Quickly deploy our off-the-shelf ecosystem and save years of internal development time and cost

Customer Experience: Increase acquisition, retention, and loyalty

Reduced Risk: Enhance security and improve regulatory readiness

Increased Revenue: Boost profits by monetizing connectivity, while avoiding customer churn

Out-of-the-Box Connections to the Solutions Employees Want

Ninth Wave powers a payroll service provider's connectivity to the third-party applications their customers demand. A single connection to Ninth Wave allows them to quickly and securely share permissioned employee tax data with a growing list of "must have" tax preparation solutions, as well as personal financial management and wellness apps. Customers' employees can retrieve their tax information, at any time, from whichever app or solution they prefer.

Increase Retention

The Ninth Wave platform gives payroll service providers a significant competitive advantage by helping them boost satisfaction and loyalty among their customers and their employees.

Create New Revenue Streams

Our clients monetize the connections made through the Ninth Wave platform both by offering them as an optional service to their customers, and through revenue-sharing arrangements with certain tax prep software providers.
